

# Wholesale Markets

**Bunched Greens like kale and collard greens for City Market**

Some started in greenhouse, some you will start from seed

Can harvest young and continue to harvest all season

At farmers' market: \$2/ bunch

Wholesale: \$1/bunch

# Habanero Peppers for Hot Sauce Company

Over 300 plants started in greenhouse

Transplant by June 8

10 weeks to harvest – Mid-August

\$1.50 /pound wholesale

\$ 3 /pound at farmers' markets

Americans like HOT SAUCE but do not buy very many very hot peppers at farmers' markets.

# Radishes for Food Basket

Direct seeded in next two weeks

4 weeks to harvest

Can do several plantings throughout the season

\$1.40/bunch to Food Basket

They are expecting about 200 bunches from you!
