ONIONS

Sets or Seeds???

©2010 Andrea's easy vegan

Start in Greenhouse at end of
February or beginning of March

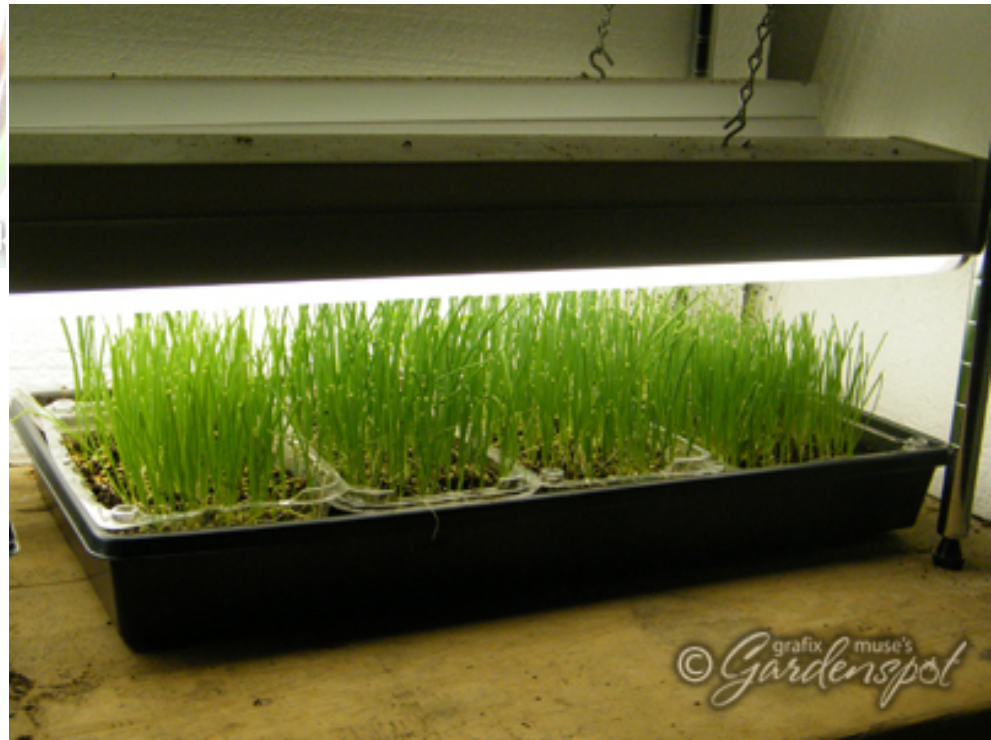

- 500 seeds = \$2.00
- 1000 seeds = \$3 or \$4
- 4000 seeds = \$5.50 to \$17.00

- Plus cost of trays and soil
- Extra space in greenhouse
 - Extra time to plant

With Grow Light, you can grow them at your house

More
expensive but
very quick and
easy

- Very Few varieties
- Don't grow very big
- Don't store very well in winter

- Many, many varieties
 - Many shapes
 - Many colors
 - Many flavors
 - Many sizes

Wholesale wants **BIG** onions

| | | | | | |
|---|--------------------|---------------------------------|-----------------------------|------------------------------|-------------|
